## Adletter Mailing

--  
For convenience in printing and mailing, the Adletter will hereafter come out on either Tuesday or Wednesday morning instead of Saturdays as was the schedule in the past.

## LITTLE LEAGUE MEETING

--  
Don't let the snow fool you. Baseball is just around the corner! With the memories of last years' wonderful Little League season still with us, we invite all boys born between August 1, 1950 and July 31, 1954 and their parents to our 1963 registration meeting. The meeting will be held February 21, 7:30 p.m., at the Elementary School Gym. All boys interested in playing little league ball will be registered at this meeting. Boys, please bring your parent(s) to this meeting. They must accompany you if you want to be registered. See you February 21....

main objective was to obtain money and I feel we should be thankful that they were not just malicious as far as vandalism is concerned. They obtained about \$200.00 in cash from all three of our schools. The combined total of physical damage will be somewhere in the neighborhood of \$400.00, but they could have done much more.

The Freeland Junior and Senior High students are busily engaged in pre-registration for the school year 1963-64. Mr. Wirtz,

guidance director, has been meeting with the 9th grade parents and students in order to help in setting up a program which will best suit the needs of each student upon graduation. This is almost a necessity in some cases as we have 60 different subjects from which the student can select his program. If you have any questions about your child's program you are invited to meet with Mr. Wirtz.

28th meeting, revised the salary schedule and policy of the Freeland Community Schools. The salary schedule now starts at \$4500.00 per year and extends to \$6450.00 in thirteen steps. The cumulative sick leave was extended from 30 to 90 days. Contracts have been issued to all teachers now employed by the school district. It should be remembered that this salary revision as presented will require three years to adjust all teachers to the revised schedule. This is necessary so that we can continue to operate within our present operational monies and projected future operational monies....
